{Sub:- suggestion for open newly icici bank at soro, balasore, odisha regd.}

Respected Sir/Madam,
This organization on public demand always give suggestion to center or states or both of these for development of Indian democracy on the way of from economical development to social development. Now we are going to keep a suggestion to open ICICI bank at Soro an ancient city on which people depend upon from very small towns around 35KM radius.

The place Soro is a town and a municipality under Balasore district in the state of Odisha. It is about 181 km from the capital of the state Bhubaneswar and 35 km from the district headquarters Balasore.

It located on NH-5, the town is located midway between Balasore and Bhadrak towns. Soro along with neighboring towns contributes significantly towards the economy of Balasore & Bhadrakh districts.

Soro is booming nowadays in terms of trade/ business. It has no fewer than 15,000 shops. So many other small markets and businessman are dependent on this market. It has four business area i.e. Adang Bazar, Station Square, College Square and Uttareswar. Mainly these markets are popular for their business transaction. The Soro market is famous for its fresh Hilsa Fishes and Farm Vegetables sold by the local community from nearby villages.

So many business institutional and some small scale industries on progress as for the education side this location & area is the best center of Odisha on where from out of state students come for coaching.

So as a developing city we request to open a newly ICICI branch in this place as with several govt. bank only one private bank have in this city Axis. So we request to remember our proposal for quick progress.
