Respected Sir/Madam,  
This is an organization along its social, medical & legal activities for more than 13 years social service suggest Govt. the public opinion by the shape of suggestion. Form 2003 this organization sends (<http://www.navjivanfoundation.org/Suggestion.aspx>) fourteen to more suggestion not in central ministries.

Now it is very difficult to take immediate step on prevent corruption and as a result several problems we may face because now it is already enter inside the blood of ours. The proper example as happening as before and some industrialist, political leader and other leader take benefit and our country face several questions in abroad.

So we request to **Govt. that it can check corruption by using simple method and that is change of our currency after 10 to 12 years. This means hon'ble Reserve Bank & Ministry Of Finance can take active step in this matter. These departments refund old currencies and use new one in that place.**

As a result the people pulling towards corruption can not accumulate huge amount of money neither in foreign not in theirs side.

We all known there will some expenses but high gain to all. So we request yours like Hon'ble Parliament Rajya Sabha, Lok Sabha will take proper steps on it with the help of others and anticipate that proper cooperation will help awaiting public for giving proper justice from Govt.

With Regards,
